Scope of the Journal: *Lithos* accepts articles of international interest in the field of petrology, geochemistry and mineralogy. A paper submitted for consideration should be concise, original material, not previously published in any major language. Types of contributions to be published are: (1) research papers, (2) reviews, (3) discussions, and (4) book reviews.

Publication Information: *Lithos* (ISSN 0024-4937). For 2004 volumes 72–78 are scheduled for publication. Subscription prices are available upon request from the publisher or from the Regional Sales Office nearest you or from this journal's website (<http://www.elsevier.com/locate/lithos>). Further information is available on this journal and other Elsevier products through Elsevier's website: (<http://www.elsevier.com>). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.

Publication of abstracts and contents: Abstracts or contents of this Journal are published in AGI's Bibliography and Index of Geology, Bulletin Signalétique, Chemical Abstracts, Current Contents, Geo Abstracts, and Mineralogical Abstracts.
