

## Aims and Scope

**The Journal of Clinical Virology (JCV)** is an international journal publishing papers on any aspect of human virology that directly pertains to virus-induced clinical conditions under the major section headings of: **Epidemiology, Pathogenesis, Diagnosis and Detection and Prevention and Treatment**. Articles from any field of virological study will be considered if the article is relevant to the understanding or manipulation of a disease state.

Annika Linde (President ESCV)

Jurjen Schirm (Past President ESCV)

## Author enquiries

For enquiries relating to the submission of articles (including electronic submission where available) please visit Elsevier's Author Gateway at <http://authors.elsevier.com>. The Author Gateway also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions and more.

Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

## Commercial reprint enquiries

For details on commercial reprint sales opportunities within the **Journal of Clinical Virology** please contact the commercial reprint sales department; Tel.: (+44) 1865 843 652.

## Guide to Authors

For full Author Instructions and Information on Artwork, please visit the **Journal of Clinical Virology**, website at: <http://www.elsevier.com/locate/jcv> or <http://authors.elsevier.com>

**English language help service:** Upon request, Elsevier will direct authors to an agent who can check and improve the English of their paper (*before submission*). Please contact [authorsupport@elsevier.com](mailto:authorsupport@elsevier.com) for further information.
