The publisher regrets that an error occurred in the citation of a reference in this article. Page 337, paragraph 1, lines 7–10 should read:

Several of these enzymes, such as cathepsins (D, S and procathepsin L) and matrix metalloproteases (MMP 2-3-9), are actively secreted in the boar and stallion epididymis [46].

It is also regretted that reference [46] was omitted from article, and is hereby outlined as follows:

[46] Metayer S, Dacheux F, Dacheux JL, Gatti JL. Comparison, characterization, and identification of proteases and protease inhibitors in epididymal fluids of domestic mammals. Matrix metalloproteinases are major fluid gelatinases. *Biol Reprod* 2002;66:1219–29.

The publisher would like to apologise for any inconvenience caused.
